

ESA Student Sponsorship

As part of the ESA Conference Opportunities for Students Programme (ECOSS), the ESA Education Office is pleased to be able to offer sponsorship to European students interested in attending the event. Highly qualified full-time students from ESA Member or Cooperating States are encouraged to apply for ESA Sponsorship.

Students selected by ESA Education will be supported with 300€ to partially cover their registration fee and/or travel and accommodation expenses. Sponsorship will be in the form of a single reimbursement **after** the conference.

Before applying students must visit the conferences page of the ESA Education Portal (www.esa.int/education > Conferences) and:

- Check their eligibility for the programme under the "Sponsorship Conditions" link.

Note: Requirement regarding abstract submission does not apply to this event.

- Familiarize themselves with the content of the "How to Apply" link.

To apply, please visit ESA Education registration system: www.joinspace.org

The deadline for sponsorship applications is January 30th 2011.
